## Child Functioning Tab

This is where the general functioning of each child is described, as well as any effects of maltreatment. The Child Functioning information is now documented individually for each child.

The screenshot shows a web application window titled "Initial Assessment-Narrative -- Web Page Dialog". The application is "eWiSACWIS". The top navigation bar includes "Print", "Spell Check", and "Help". The "Case Information" section displays "Case Name: Waukesha, Mother", "Case ID: 51000028", and "Referral Date: 06/02/2006". The "Child Functioning" tab is selected, showing a list of children with text areas for describing their general functioning and effects of maltreatment.
